

SCIENCE SAFARI -THE ULTIMATE TREASURE HUNT

Event Guidelines

Event Description:

Are you ready to put your brainpower, speed, and teamwork to the test? In Science Safari, every clue is a puzzle and every step takes you closer to hidden treasures of knowledge. From cracking scientific riddles to uncovering clever hints, this isn't just a hunt - it's an adventure where logic, curiosity and quick thinking decide your fate.

Explore|Solve| Conquer

With thrilling challenges inspired by science, only the sharpest minds and fastest feet will reach the finish line. Compete, collaborate, and prove you have what it takes to claim victory in this one of a kind race of wits and wonder!

Eligibility Criteria:

- Open to all students from any department, college & school.
- Participation must be team-based.
- Prior registration is mandatory.
- Basic knowledge/skills related to the event are recommended but not mandatory.

Rules & Regulations:

1. Participation Guidelines

- Each team must consist of 5 members.
- A participant can join only one team.
- Teams must register before the given deadline.
- Once registered, no changes in team members are allowed.
- Electronic gadgets are prohibited.
- All participants must follow safety and discipline protocols.

2. Rules for Participants

- The Science Safari will include clues, puzzles or pharma-based tasks placed at different locations.
- Every clue must be solved in sequence to reach the next stage.
- Teams must move together as a group; splitting up is not permitted.
- Clues should not be tampered with, destroyed or hidden from other teams.
- Use of unfair means or external help is prohibited.
- Elimination occurs if:
 - Participants fail to meet the basic event requirements.
 - They violate time limits or performance rules.

3. Evaluation / Scoring Criteria

- The team that reaches the final treasure first will be declared the winner.
- If multiple teams finish around the same time, evaluation will be based on:
 - Accuracy of solved clues/questions.
 - Time taken to complete the hunt.

4. Disqualification Factors

- Splitting the team or proceeding without all members.
- Destroying, misplacing or hiding clues.
- Misbehaviour with coordinators, volunteers or other teams.
- Use of unfair practices or external assistance.
- Violating discipline or damaging college property.
