

ABOUT

KAUN BANEKA TECHPATI

Kaun Banega Techpati (KBT) is an innovative, interactive, and engaging technical quiz event inspired by the popular game-show format of Kaun Banega Crorepati. The event is designed to test technical knowledge, logical thinking, and problem-solving skills of students in a fun and competitive environment.

Objective of the Event

- Promote technical awareness among students
- Encourage participation from all branches
- Make learning competitive and entertaining
- Provide a real-world tech-event experience

Event Concept

Participants answer multiple-choice technical questions under time constraints. The event includes lifeline # 50-50 which shows 2 options only and this will be given for 2 times per team.

Technical Innovation

- Custom-built web-based quiz platform
- Real-time timer with sound effects
- Animated UI with professional design

Event Flow

Registration → Quiz Rounds (R1, R2) → Final Round → Winner Announcement

Round 1 – Elimination Round

- MCQ-based technical questions, Time per question: 60 seconds
- Focus on Core CS concepts & Problem-solving ability
- Teams are eliminated based on accuracy & score

Round 2 – Speed & Accuracy Round

- Time per question: 30 seconds (Includes: 50–50 lifeline)
- Slightly higher difficulty (output and error based)
- Tests fast decision-making & technical clarity
- Top 5 teams qualify for the final round

Round 3 – Rapid Fire Round

- One participant from each of the Top 8 teams takes the Hot Seat on stage, one team at a time.
- Each Hot Seat contestant faces a 10-question ladder of rising difficulty.
- Time limit: 60 seconds per question.
- Lifeline — Team Contribution: the Hot Seat participant may consult their own team (use when only 20s left)
- Marking -: 10 points for correct answer, -5 points for using lifeline

Kaun Banega Techpati is not just a quiz but an experience. It combines education with entertainment and reflects the spirit of innovation that Prayukti Tech Fest stands for. We request approval to conduct this event as part of the official tech fest.

Prize Pool Distribution (Total ₹10,000)

- 🏆 1st Prize: ₹5,000
- 🥈 2nd Prize: ₹3,000
- 🥉 3rd Prize: ₹2,000

Certification

- Winners and position holders will receive hard copy certificates.
- All other participants will receive E-certificates for participation.

SCHOOL EDITION

ABOUT THE EVENT

Kaun Banega Techpati (KBT) is an innovative, interactive, and engaging technical quiz event inspired by the popular game-show format of Kaun Banega Crorepati. The event is designed to test the technical knowledge, logical thinking, and problem-solving skills of students in a fun and competitive environment.

OBJECTIVES

- Promote technical awareness among school students
- Encourage active participation from schools across the region
- Make learning competitive, interactive, and entertaining
- Provide students a real-world, stage-format quizzing experience
- Build confidence, teamwork, and quick-thinking under pressure

EVENT CONCEPT

Participants compete in teams through a series of progressively challenging rounds. Each round narrows the field, testing a different skill — written technical recall, visual identification, and finally live on-stage quizzing under the spotlight, exactly like the show that inspires it. The journey ends with select finalists taking the iconic Hot Seat, climbing a question ladder in front of the entire audience.

EVENT FLOW

The school-level edition of Techpati runs across three elimination rounds:

Round	Format	No. of Qs	Time / Ques	Qualifiers
Round 1 Tech Ticket	Written round. Question shown on screen; teams write the answer on paper.	20	60 sec	Top 15 Teams
Round 2 Face the Founder	Picture-identification round: tech founders, company logos, gadgets & app icons.	15	—	Top 8 Teams
Round 3 Techpati Ladder	One member per team on the Hot Seat, one team at a time. Question ladder with rising difficulty. Lifeline: Team Contribution.	10	60 sec	Winner & Runner-ups

Round 1 — Tech Ticket (Written Round)

- A total of 20 technical questions are displayed one at a time on the main screen.
- Each team gets 60 seconds per question to write their answer on the answer sheet provided.
- No verbal discussion with other teams; only in-team discussion is allowed within the time limit.
- Answer sheets are collected and evaluated; results determine the Top 15 teams advancing to Round 2.
- Marking: 2 mark per correct answer,

Round 2 — Face the Founder (Picture Round)

- 15 questions. A picture is shown on screen — tech founders (e.g. Elon Musk, Sundar Pichai), company logos, gadgets, or app icons.
- Scoring: 10 points for a correct answer
- Buzzer-based answering; fastest correct buzz for each stage claims the points.
- Cumulative scores decide the Top 8 teams advancing to the Techpati Ladder.

Round 3 — Techpati Ladder (Hot Seat Finale)

- One participant from each of the Top 8 teams takes the Hot Seat on stage, one team at a time.
- Each Hot Seat contestant faces a 10-question ladder of rising difficulty.
- Time limit: 60 seconds per question.
- Lifeline — Team Contribution: the Hot Seat participant may consult their own team (use when only 20s left)
- Marking -: 10 points for correct answer, -2 points for using lifeline

SCORING & JUDGING

- Decisions of the quizmaster and judging panel are final and binding at every round.
- Timekeeping is strict — an answer submitted or buzzed after the time limit will not be considered.

ELIGIBILITY & TEAM RULES

- Open to students of participating schools, Grades 10 to 12 (organisers to specify).
- Each team must consist of 2–4 members; one designated Team Captain.
- Use of mobile phones, smartwatches, or any electronic aid during the event is strictly prohibited.

WHY PARTICIPATE?

- E- Certificates of participation for all teams;
- Hard certificates for finalists
- Cash Prize and medals for the Techpati Champion and 1st and 2nd Runner-up
